Academic information	
Academic calendar	Each school has its own academic calendar, which sets dates of beginning and ending of classes, exam periods, and breaks.
Course registration	Registration is made at the beginning of courses at the Student Office of the corresponding school
Language requirements	It is advisable to have a level B1/B2 of Spanish language.

Tuition/Academic fees	In UdelaR, there is no tuition fee or academic fees in any undergraduate course.
Grades/Evaluations	Students will be responsible for requesting the academic coordinator and/or reference of mobility of the school the certificates that prove they attended and/or approved the courses.

Useful information	
Expenses	Students will have to cover all their transport, accommodation and meals expenses. There are no scholarships for this type of mobility.
Health insurance	It is mandatory to have health insurance, funeral assistance and repatriation that covers the entire period of the exchange. In case the student wishes to stay in the country for longer than the agreed period for their mobility, they must have an insurance that covers their entire stay in the country.
Visa	<p>According to their nationality, some people must apply for a visa before entering the country regardless of the period of stay in Uruguay. For most nationalities, it is not necessary to get a visa, therefore they enter with a passport or ID card (the latter only for the nationals of Mercosur countries). In these cases, once they enter the country, they can legally stay for 90 days. Prior to the expiration of the period, the permit shall have to be renewed for 90 days at the Immigration Office of Montevideo (Misiones 1513 - Old City). https://migracion.minterior.gub.uy/</p> <p>For further information, we advise you to contact the Uruguayan embassy or consulate in your country.</p>
